“ *Toni,*
I read the notice of your mother's obituary earlier this week and immediately it brought back great memories of our time at Mosby and JFK. But like those institutions which are no longer with us but leave us with long lasting memories...so are my memories of your, your sisters and your Mom.

Blessings to you and your family as you endure this time of transition. I'll continue to keep you in my prayers and believe God to be present at your every moment and hour of grief.

*Love always,
Malissa "Missi" Short

“ *I was truly sorry to learn that "GERK" has left us. She was my friend for many, many years (since 1974). I will always remember her kind spirit, her dedication to family and her fantastic sense of humor. She will be greatly missed, indeed.*
