*Dear Valerie and Anne,
I cannot begin to tell you how sorry I am for your loss. Your father was a friend for many years. He was a very kind and generous person and he was funny. I know he will be missed by many.
May you be comforted by all of the great memories you made together.

“ To The Family of Dr. Gladstone Davis:

I had the pleasure of working with Dr. Davis when he was finishing his internship at the old Provident Hospital in June 1967. I became a patient for over 20 years when he first opened his office on Callaway Ave. He was a truly nice man and awesome dentist. My condolences to his family and staff. I pray that he finds eternal peace with his Heavenly Father. Remember, "weeping endures for a night, but JOY comes in the morning." May he rest in peace. God Bless you all.

“ *Dr. Davis was not only my dentist at one time, but a good friend and a great person. He loved his daughters and adored his grandchildren. He loved to enjoy life and back in the day, loved a good event or party. He will be truly missed. God will get you through this time, but to the family, he will never leave you. His spirit will always be with you.*

God bless and keep each of you

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
