

## Gladys Evelyn Blake Coles

November 28, 1916 - May 9, 2002

. Gladys Evelyn Blake Coles departed this life peacefully and went home with her Lord, on May 9, 2002 at Kenesaw Nursing home, located in Baltimore, Maryland. She was born November 28, 1916 in Bedford County, Virginia to the late Carey and Cora Blake. She accepted Jesus Christ as her Lord and Savior at a early age, joining the Western Light Baptist Church of Bedford, under the Pastorate of Reverend J.B. Holland. She moved to Baltimore, Maryland where she met and later married the late Thurman Coles. She joined the Gospel Tabernacle Church under the Pastorate of Reverend Reed. Mrs. Coles served her church with great spiritual love. The service of love for her church lasted even after her health failed. The Hedley Clark family employed her for 48 years. During those years of employment in the Clark family, Mrs. Coles dedicated her unconditional love to the Clark children, who became her extended family. She instilled in the Clark children a love for family values, character, integrity and respect. Her caring and giving heart touched them very much. The love from the Clark family never wavered. Mrs. Ann Clark and her children, Randy, Hathaway, Hacky, and granddaughter, Annie were always there for Mrs. Coles, watching over her and making sure she was very well taken care of. The Clark family will sadly miss her. Her brothers also preceded her in death, Charles and William Blake and her sisters Arlene Blake and Matilda Blake Spinner. She leaves to treasure her memory: one sister, Margaret Blake McDaniel, of Atlantic City, New Jersey, one aunt, Mrs. Gertrude Childress of Roanoke, Virginia, and a host of nieces,

nephews and friends. Although you are no longer with us, we are happy because we know the Lord has carried you through the gates of Heaven. You were a mother, aunt, friend, support anchor and the foundation. There is a part of you in all of us. Thank you for blessing our lives. We will miss you, but never forget you.

“ The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##
