

Gladys Gentry

September 22, 1927 - March 16, 2007

Gladys Gentry, beloved daughter of the late Wilbur and Lizzie Cousin, was born on September 22, 1927 in Person County, North Carolina. She departed this life on March 16, 2007. She received her education in Person County public schools. Upon completion of her education she moved to Baltimore, Maryland. In 1954, Gladys married the late James P. Gentry. The two of them loved to entertain family and friends. At an early age, Gladys was baptized at Cleggs Chapel Baptist Church. Later when she moved to Baltimore, she became an active member of Southern Baptist Church until her health prevented her from attending. Gladys was employed at Comfort Spring and Penn Station, where she managed the snack bar until she retired. From this position, Gladys met many friends. Those who knew Gladys could always count on a hot meal with a warm smile. She loved to cook for family and friends. She was known best for her cakes and pies. You would never leave her home until she made you something to eat. Gladys also loved to travel with her club members. She would always encourage her family to travel and see the world. Gladys will truly be missed by all. She leaves to cherish her memory: a very devoted and special great-niece, Latanya; two sisters, Marie C. Johnson of Baltimore, MD and Mary C. Burton of Timberlake, NC; brother, Wilbur Cousin of Timberlake, NC; two sisters-in-law, Jerldine Peacox and Octavia Gentry of Baltimore, MD; brother-in-law, William Peacox of Baltimore, MD; and a host of nieces, nephews, great-nieces, great-nephews, great-great-nieces, great-great-nephews, other relatives and friends; and a special care

provider, Monique Johnson. The family wishes to express their appreciation for all acts of kindness shown to them during their time of bereavement. For the Nurses and GNA's of Harborside Nursing Center. A special thank you to Miss Holmes, Latasha Hightower, Lisa Hart and Latasha Onyenwe for all the love they extended in caring for our "Gee-Gee." Words will never be enough.
