“ I am very sorry to learn of the death of Gladys. I'm sure that this must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ To the family, please accept my condolences on the passing of your loved one. Death is so heartbreaking, and this is not what God wanted for his earthly children. By sending his son Jesus, he has made the way out for us to be done with sickness and death forever. Rev.214 tells us, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor out cry nor pain be anymore. "The former things have passed away." John5:28,29 says that all those in the memorial tombs will hear his voice and come out. So one day God promises that we will see our loved ones again. May you find comfort in his promises, and a hope to help you to go on.##imported-begin##R Johnson##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, "Even time indefinite he (God) has put in their heart," says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##
