

Gladys R. Murray

July 3, 1953 - August 12, 2004

Gladys R. Murray, daughter of the late Mr. John and Mildred Murray, was born on July 3, 1953 in Baltimore, Md. Gladys went to meet God on August 12, 2004. Gladys received her education in Baltimore City Public Schools. Gladys left a very strong impression on everyone who came in contact with her. She had a way of making anyone laugh with her quick wit and wise cracks. Few people knew what an artist she was. She could draw or sketch almost anything but had a special love for drawing cartoon characters. Gladys always greeted those she loved with a hug, a kiss and an "I love you." Gladys will be greatly missed! Gladys leaves to carry on her memory, son, Ricardo S. Bell, her daughter, Shalita Y. Stewart; four grandchildren, Kavonetay A. Jones; Quira L. Carver, Briana L. Ellis, and Kaniesha Wheatley. She also leaves three sisters, Valerie, Sandra, Yvette and one brother, John Jr.; one brother-in-law, Harvey; two uncles, Thadious and Willis Jones; two aunts, Catherine and Olivia Jones; one great aunt, Aunt Corneilla Phair; and a host of nieces and nephews, cousins, friends. Gladys was a devoted mother and grandmother. She worshipped at a number of churches, but had not settled on a church home.

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Hello Family & Friends, I am so sorry to hear of your loss and I am offering my condolences. The scriptures can be of great comfort to us all. I am reminded of the scripture at Revelation 21:3,4 where Almighty God says that he is going to wipe the tears from our eyes and death will be no more neither will mourning nor crying nor pain be any more. The Bible also promises that we will be able to see our dead loved ones again by means of a resurrection. (John 5:28,29) It is my hope that you will be comforted by these scriptures.##imported-begin##Sophia Briscoe##imported-end##

“ *I Love you" a hug and a kiss was always my greeting from you. your appreciation for all things both great and small was one of your many wonderful and loving qualities. you made exceptance of things so much easier, I am going to miss you Gladys, though you are always on my mind and in my heart. your physical presence will be missed, nobody could say the things you said to me and it mean as much as when you said it, you had such an way with words and the determination to get the point across. and I think of those things often (with a smile) I pray that God is holding you often, because I know and God knows how much being held meant to you. Well goodbye sweet darling sister, I'll always Love you.###imported-begin##Saundra Wright###imported-end##*
