Gloria E. Greene, of Richmond, Virginia transitioned to her heavenly home on Sunday, May 26, 2019 at the age of 87. Gloria was very creative and could be found doing one of her many hobbies of crocheting, knitting, wedding consultant/directress, and floral designer. She also had a love for giraffes which resulted in a monumental collection.

Gloria loved life and lived it to its fullest, always surrounding herself with family and friends. As a devoted mother, grandmother, great-grandmother, great-great grandmother and friend she will truly be missed by all.

“It is a curious thing, the death of a loved one. We all know that our time in this world is limited, and that eventually all of us will end up underneath some sheet, never to wake up. And yet it is always a surprise when it happens to someone we know. It is like walking up the stairs to your bedroom in the dark, and thinking there is one more stair than there is. Your foot falls down, through the air, and there is a sickly moment of dark surprise as you try and readjust the way you thought of things.” Loss is never easy, wishing comfort and peace during a trying time..
