“ Hey grandma, I miss you. I want to visit you but it's been bad out these days. Taniya has a 2 1/2 year old son. His name is Kaiden. I know he would've loved and jumped on you like Taniya had. I dream about you, so you are in my mind daily. I love you ❤️

“ Hello grandma, I miss you each and everyday. Not a day that goes by that I don't think of you. I see and hear people talk about their grandmoms and I feel so sad because I don't have you here on earth with me anymore, but you are still in my heart and will always be. I'm glad that we had our times together and we were both happy whenever we were together. I miss you Grandma 😭 until we meet again. R.I.P. I love you ❤️ ~ Peaches
