“ *Our hearts are so heavy right now. Goldie was a warm wonderful person. How could she not be with a name like Golden Love. She was a member of our family. She was the Godmother to our children for over 23 years.*

*Words cannot begin to express the love and gratitude that we had for her. We send our deepest sympathies to her sons and other family members. Know that you are not alone in your grief, we grieve with you, share memories with you, and we are here to support you. Love Rick, Marilyn, Sean and Bryston.
