“ I offer my heartfelt sympathy to the family of Grady. When we lose a loved one in death we have the sure hope of the resurrection, which will reunite us with them once again. Jehovah sent his most precious son Jesus to demonstrate what will soon take place on this earth. While on earth Jesus resurrected many people from the grave. Luke 7:12-16 gives an account of how he resurrected a widow's son. Not only was she a widow, but this was her only son. The scripture says that Jesus was moved with pity when he saw her weeping, and he said these heartwarming words to the dead man; "Young man I say to you, get up. "And the dead man sat up and started to speak, and he gave him to his mother. We can only imagine the joy she felt at seeing her son alive again. Jesus thus demonstrated what he will do for mankind in the near future. John 5:28,29 tells us that all those in the memorial tombs will hear his voice and come out. May you find much comfort and strength in this wonderful promise.##imported-begin##R Johnson##imported-end##
