*What an amazing person, and what remarkable life. There are no words for the legacy Greg left on our work family. I worked with him for over five years at BAE, and to say that time was a pleasure would not even do it justice. Greg was such a hard worker, with such a positive attitude and a smile as bright as the sun. I want his family to know that his life and his presence truly made a difference to us every day! He will be truly missed!!*

*To his family (wife and children) - the stories that he shared about you all told me that he was family first! There are no words in the human language able to heal the hurt of this loss, but I am praying that God be with you every day. Thinking of you and wishing you moments of peace and comfort as you remember him and carry him in your heart daily. My condolences to you all!*

“ It is my honor and privilege in knowing Greg since 2004 and working with him for 12 years. His personality and warmness towards his co-workers was a joy to be around. He had a very warm heart and disposition at work. I especially enjoyed the conversations he shared about his family. I knew he deeply loved and was very proud of his wife and children in the way he always discussed them. He is an exceptional person who will be dearly missed.

“ To The Hill Family,  
Gregory can only be physically gone but never the life lived and the memories shared. Have faith, be strong and know that you're not alone.” May God give you strength and turn your time of darkness into light again.

“ Greg, working as your teammate was an absolute pleasure. I can still hear you calling me, "ISSE". Your personality was infectious and was instrumental to our success because I could work the details and you communicated the information. Thank you so much for sharing your knowledge. You have left a lasting legacy.

*To Greg's family, I want to thank you all for sharing your husband, father, uncle and brother with us. Greg was truly an inspiration to us all. He will be missed.*
