“ I send my sincere and heartfelt sympathy to the family. Losing a loved one is so hard to come to terms with, and even though time does lessen the pain somewhat, still we miss them so very much and long to see their smile; to hear their voice, and to hold them in our arms once again. God knows the enduring sorrow we experience when our loved ones die, and that is why he has promised to end all sickness and death forever. 1st John 4:8 tells us that "God is love. He never intended this legacy of sickness and death. Death only came through the disobedience of Adam, but through the obedinece of the Christ we all have an opportunity for everlasting life. John 3:16. I am a bible teacher, and I extend the invitation for you to contact me at my e-mail address so that I can further share God's wonderful purpose with you. May your precious memories of Gregory sustain and comfort you until Jehovah's wonderful purpose in connection with Christ will be fulfilled.##imported-begin##R Johnson##imported-end##

“ Please accept my deepest condolences for I too know the pain of losing someone you love. May you find comfort in knowing that our loving Heavenly Father Jehovah promises us that very soon, all those in the 'memorial tombs' will hear the voice of his son Christ Jesus, and 'come out' by means of the resurrection (John 5:28,29). What a wonderful day that will be!##imported-begin##Kevin Jackson##imported-end##
