“ *Dear Mason Family, I am very sorry to hear about the loss of your dear loved ones. Death is never an easy thing to go through. The bible tells of a time when death will be a thing of the past. You as well as others are sure can not wait till that time comes.##imported-begin##A. Jones##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ To The Mason family, please accept my condolences. I hope you are finding comfort in family and friends. In the Bible at St. John 11:25, Jesus said, " I am the resurrection and the life. He that exercises faith in me even through he dies, will come to life..." So one day soon we will see our love ones again.##imported-begin##Julia Brown##imported-end##

“ My condolences to the family. Please be comforted by these two promises from the Holy Bible: John 5:28,29 says: "The hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." and 1Corinthians 15:26 assures us: "As the last enemy, death is to be brought to nothing." It is my hope that these promises give you solace and strength in the days ahead.##imported-begin##Sharon Hill##imported-end##

“ A woman of great Beauty, Strength and Wisdom was my mother. A son could not wish for a better mother. She norished, educated and loved all of her sons without favorites. This high-yellow, petite woman was immaculate in dress and imeciable in style. Not just a pretty face was she, With wit and intellect she impressed doctors, lawyers and anyone she met. Without raising her voice or losing her cool, she spoke mountians of wisdom. The crown of her character was her strength to me. For I never saw her shrink from a task or fail to come up with plan. She handled the outrageous slings and arrows of life with the spirit of a warrior. She will be missed and remembered with much love that can only hope to approach that which she gave. God Bless You, Gretchen Hines Jenkins Little Mason. Your #3 Son##imported-begin##Nasir Abdullah##imported-end##

“ To our dearest sister and sister-in-law, Although you are gone from earth your presence will forever remain in our hearts and minds. We realize that God's will must be done and that God is too wise to make a mistake. Knowing that you are resting peacefully allows for acceptance of your absence from earth. We realize that you are walking around heaven singing with the angels. We just trust and pray that one day we'll meet again.
