“ *Ada,*

*The news of your death has just reached me, 5/4/20. I am so sorry to hear about your death. We have been friends for so long. I'll remember all of the laughter we shared at school, the calls while on the night shift at Hopkins. The laughter and just everything that true friends share. Ada, will truly be missed. She was a lifetime friend and will surely be missed. I speak for myself and all of us from the class of 1969 of Eastern High School.*

Ada was a loving, kind cousin. She was always cheerful, and her favorite saying was "I never bothered nobody." May she rest in peace.
