“ *I am so sorry to hear of the passing of Mr. Lighty. As a teacher from Tuckahoe Middle School, the kids lit up when they knew Mr. Lighty would be subbing in their class. As an exceptional education teacher, my kids loved having him. He had such a rapport with the students, and it came so naturally! He greeted them on the walkway with such genuine love for the kids, he shined, and they shined back with excited salutations. All of the kids respected him, and that's quite a feat, both as a substitute, and with middle schoolers! He brought light wherever he was. I knew of his musical background, but didn't have the honor to hear him play. I wish I could go back in time for that. God bless you Mr. Lighty. May you continue to shine.*
