“ *To the family this is Harold's friend from ABIS Marcus Taylor. I am so sorry that I was unable to attend the funeral, I was out of town in NY when I returned home I was told that my friend had lost his battle with Cancer. Harold was a man that I admired and looked up to. His family was his life. He always spoke highly of his mom and sisters. To the children you were his everything he always placed you all on a pedestal, he was so proud of the young adults that you had become. The funny story about your dad and sibling from my memory was when we were working at ABIS I tried and tried to get your dad on a forklift and he always said I'm not messing with that thing. Only when the doors of ABIS closed and we were out of work I called Harold and told him that I was working at Phelps Transportation in Glen Burnie and I said Harold I spoke with the owner and he said that I can bring you in on one Saturday morning and teach you how to drive a forklift. Well he came down and in a matter of two hours your dad had mastered the forklift. That was Harold quick and eager to learn, he thanked me so much and from that day on our friendship changed. He became more than just a friend he became FAMILY. I'm going to miss my friend but god willing he will be there at the pearly gates waiting for me to enter. God has a true servant at his disposal right now. Please don't cry for your father and sibling was a true man of God and he will always be with us until we see him again. God Bless and please call me Marcus Taylor 443-850-9954 or call me at work 410-945-1100 I'm always going to be here for you whenever you need me. Love you and God Bless*❤️
