“ Please accept my heartfelt condolences. Losing a loved one in death is something no family should have to go through, and this was never God's purpose for us. One day the terrible enemies sickens and death will be a thing of the past, because Almighty God has spoken it, and his name Jehovah means: "He causes to become." So Jehovah will carry out all that he has promised, and one of those promises is found at 1st Cor 15:26 which says, "As the last enemy, death will be brought to nothing." Very soon, the dead will be ressurected back to life in peaceful conditions. Acts 24:15, John 5:28,29. May you find much comfort in Jehvah"s promises, and may your precious memories of Harrinetta help you to cope in the days ahead.##imported-begin##R Johnson##imported-end##

“ I am so sorry to hear of your loss of your loved one. The Bible makes it clear that God did not originally intend for humans to die. Jehovah promise according to Rev. 21:3,4 that "death one day will be no more..." Since God is a God of live as 1 John 4:8 says. He (God) has made a provision as for those we have lost in death. John 5:28,29 informs us that those in the memorial tombs will hear God's son voice, Jesus and will awaken from an eternal sleep that have been made a temporary state now due to the ransome sacrifice of Jesus Christ. How wonderful the day when you will be able to enjoy your once lost loved one to death. These promises have brought comfort to millions. I hope you'll find the same comfort.###imported-begin###McNeil###imported-end##
