“ I remember the wonderful hugs and her Beautiful smile whenever I saw her, and her dedication to God. Thinking of my grandmother words" There's a jubilee in Heaven when a saint go home" I know there's a lot of Joy in Heaven right now because Aunt Hattie has joined our loved ones, May God's Blessings and Strength Cover both her immediate family as well as the rest of her family and friends.

“ Rita & rest of family, I am so saddened about the passing of your mother. She always loved her family, her friends, and her church family. She was a soft spoken person and always greeted others with a smile. She was a wonderful, Christian woman. She loved God and she loved praising HIM. Miss Hattie treated everybody with respect. She always showed me love and compassion. Miss Hattie was so talented - she sang beautifully and played the piano beautifully as well and she enjoyed doing both. She used her talents because she was so grateful to God for giving them to her. It was about working for the Lord and serving Him. I dedicate the song "May the life I live speak for me" to her and in memory of her for this song sums it all up for the person she was and for all the great things she did. She will remain in my heart forever because she was so very special to me. I am so happy to have known her all these years and for the bond we had. Rest in peace Miss Hattie. I love you.
