“ *Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##*

“ *My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future and our loved ones who have lost their life to our enemy death.##imported-begin##Carter##imported-end##*

Aunt Hattie was one of a kind and she will truly be missed by all she touched. To my friend Shirley know that you are in both my thoughts and prayers. You have proven yourself to be a woman of sustance and,committed to caring for your mother just as she has done for you when you were not able to care for yourself. Your efforts were tremendous and be assured you will receive a great reward for you obiedence. God commandd that we honor our Mother's and Father's and this commandment you indeed kept. Your mother was blessed to have such a caring family, each of you rising to the occassion as required. I pray during those times of stillness that you all will be comforted with your memories of Aunt Hattie and your faith in the Lord. “ My sympathy goes out the family of Mrs. Kennedy. So very sorry. Saddly death touches our lives, and brings us so much pain and sorrow. Our heavenly father knows the depth of our pain, and he has purposed to end all sickness, old-age, and death in the near future. Concerning old-age notice what God promises. At Job 33:25 the bible says, "Let his flesh become fresher than in youth; let him return to the days of his youthful vigor." Concerning sickness Isaiah 33:24 says that no resident will say "I an sick." Also Isaiah 25:8 says that God will one day swallow up death forever and will wipe the tears from all faces. So Jehovah really cares about our what we go through, and because of his great love for us death will soon be a thing of the past. May these promises from God comfort your family at this time.##imported-begin##R Johnaon##imported-end##
