

## Hattie Mae Munk

March 3, 1934 - September 9, 2003

HATTIE MAE (HILL) MUNK was the only child born to Rebecca Hill on March 3, 1934. Her mother and step-father, Alvin Smith raised her in Baltimore City where she was educated in the public school system. Hattie was a talented seamstress at Peck & Peck. She later became a licensed Practical Nurse. During her 30 years of nursing she worked at Church Home and Hospital and later did private practice. Hattie had a love for music and enjoyed various artists, like Nat King Cole, Dinah Washington, Mahalia Jackson and many more. She also loved going to Bingo and the Casino. In fact, to help her breathe during difficult times, she would say, "In casino - out hospital." She had a love for family. Although an only child, she was not alone because her aunts and uncles and many cousins shared her life. Her cousin, Edith McKenzie became her sister and casino partner. Uncle Milton has more "frequent flyer miles" because of the many moves back and forth to Atlantic City. Aunt Ree many times offered her listening ear and soft spoken words. Cousin Will took her to the casino and ran numerous errands. There are too many wonderful memories to name them all, but we are sure each of you can recall at least one. Hattie leaves to carry on her memory: her children, Florine Giles-Cook, Lynne Creditt, Annette Cary and Gregory Giles. She also leaves as her own Pandora, Cheryl and Scotty Giles. She was blessed with 18 grandchildren. We cannot forget her longtime friends, Sylvia, Barbara and Cora. There are also a host of other relatives and numerous friends.

*Ma, I still miss You So Much, know matter how many years has passed, it still feels like Yesterday, last Week, the other Month.....I just Miss You, even through you drove me crazy, after I had driven you insane with my crazy life at that time, But you got the chance to see the work that God and You had instilled and planned for me. My Heart will always have a void, my song will always be out of tune, and my world will always MISS YOU :) :)*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

It always bring a smile to my face & warms my heart when at times I'm watch "Bold & the Beautiful" & Ridge do something stupid. She'd be turning in her grave when ever Brooke & Ridge hook up. Mom & I would bond around the stories; it was a safe topic that we both enjoyed. I'll always love my Momma; she's my favorite girl. She also taught me some very important lessons tolive my life by. The more mature I become the more I learn that she was right. Love you Momma..
