Legacy of Love

Earthly Life: August 17, 1950 Eternal Life: February 13, 2021

Hattie Katherine “Goodnight” Owens was born in Louisville, Kentucky on August 17, 1950 to Mary Goodnight Vance. She was born the second child of eight children. She was preceded in death by her parents; brothers, Michael Goodnight, Ralph Goodnight, John Goodnight and James Goodnight; daughter, Sharon Goodnight Jennings and her son, Terrell Goodnight.

In her younger days she was a housekeeper and was the family caretaker of many children. She would often volunteer at the community church during vacation school. Hattie was recently baptized and gave her life to the Lord, along with her daughter and son-in-law. The family welcomed the extremely exciting day for her. It was more than a blessing.

Hattie was an amazing mother, grandmother, great-grandmother, sister, aunt and friend. If she could help you she would. She always was a firecracker and an extraordinary woman that loved life to the fullest. Kat was funny, sassy and she had a smile that could light up a room. She likes to party and in many cases, she was the party. Although she was the littlest person in the room, she had the largest personality. If she didn't cussed you out, you didn't know her token of love. It was her way of saying “I love you” and you were special to

her! She loved to put together puzzles and sit on the porch and be noisy. They called her 6, 12 and 35 (news stations, in case you didn't know). Kat was a universal woman who accepted all people and welcomed the title of being everyone's "grandma" and "auntie". She loved being around her family and even had a special place in her heart for all her boys. No wrong could be done in her eyes when it came to her boys. Hattie will be truly missed, but never forgotten. Her strength personified and she was phenomenal. Our beloved's legacy will live beyond her physical body. In her leisure, she enjoyed cooking her specialty of corn bread, fried potatoes and bacon.

Her life was a blessing. Her memory a treasure.
She is loved beyond words and will be missed beyond measure.

On Saturday, February 13, 2021 Hattie was called to the pearly gates of heaven and she gladly answered with a smile upon her face, because she was going home to be with her beloved family.
She leaves to cherish her memories:

Our condolences to the family.

Kat loved life and gave it to you 'straight'. She was small in stature but huge in personality. We will miss her conversations, humor, and laughter.

Rest in peace Kat as you are now with the Lord.

“ To the family of Hattie (Cat) my dear cousin. May God give each of you peace, comfort and strength thru your time of sorrow! Cat is my first cousin I live in KY. When we were kids my daddy (PI) would bring the girls Cat, Meat and Debra to visit us during the summer and oh what a time we had together. My Aunt Sis would fuss and tell us to stop doing this and that and we would just laugh which mad Aunt Sis ever madder :). Our love one is gone to a better place, no more suffering, crying or sorrow so please let your memories live on in your lives and please stay close with one another because tomorrow is not promised.
I pray each of you will find joy in your hearts and thanks to our heavenly Father for placing her in our lives and to have touched many of us in different ways.
Keep your hands and Faith in God and he will see you thru it all!
Much love and Blessings,
