“ To the family of Haywood L. Johnson,

Death is like having a hole in your heart, it hurts. And the hurt does not go away until that hole has been filled when you see your love one again.

" If a man dies, can he live again? I will wait all the days of my compulsory service until my relief comes. You will call, and I will answer you. You will long for the work of your hands." (Job 14-15)
