“ *Mrs. Maddox was a mentor to me while I was in Social Work school. She continued to be a major supporter of me as I pursued my LCSW-C license last year. She was a great woman who never complained and was always happy. She will be greatly missed!*

I was a student of Prof. Maddox and she will be truly miss by her students and the people she worked with. I had just saw her a week before we got out of school for the break. And I did not know that day would be the last time I saw her. I will remember that smile she gave me when I spoke to her. Sleep on and get your rest. Tell my mom I said hi. So everyone have a safe and Bless Happy Holiday. Peace! Mamie:

“ I will always remember soror Maddox for her even temperment. She was my advisor and when I had to bring my daughter to meetings she always made me feel comfortable with having her with me. She would wisper to me " she can stay". I then I knew everything would be alright. She wil be missed deeply.

“ *My favorite memories of Mrs. Maddox is sitting in her office talking about where she grew up and old hymns. She talked about how she grew singing on hymn choir and she always wanted to learn metered hymns. I was delighted to share with her my experiences when I found out her family was from Chester South Carolina. I would often stopped by her office and share a hymn or word from the scriptures with her. She was a strong woman of faith and it 's know doubt in my mind that on November 12, 2010 That same train that is bound from earth to glory came got my freind. Sleep on in the arms of our Saviour the Lord Jesus Christ. Remember you can't crown him to til I get their Amen.*
