“ *Hi ! Porter's ! I would like to express my condolences to you all. Losing a very dear one like Ms. Helen at the age of 79 is in harmony with the bible at Ps. 90:10,"In themselves the days are 70 years; And if because of speical mightiness they are 80 years". Imagine what life will be like when no one will ever die at all , GREAT, WONDERFULL . Our creator knows how you all are feeling these days and cares, 1 Peter 5:7,about you all. The resurrection time will be O how precious to see. May all the many happy times spent with Ms. Helen help to support you all in life journey ahead.##imported-begin##Lillian Crosby##imported-end##*

“ *Please accept my sympathy for your loss. One day there will be no more sickness, old-age, or death. Even though some live to be 70 or 80 at present, it is God's intention that people will someday soon be able to live forever, in peaceful and secure conditions. Rev 21,4 says, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. verse 5 says, And the one seated on the throne said, Look!, I am making all things new.! So one day all sorrow will have passed. We will have peace at last. Take care family, and take comfort from the scriptures, because they will all come true. Isaiah 55,10,11.##imported-begin##R Johnson##imported-end##*
