“ *I send my condolences to the family on such a loss. We look forward to a time when "no resident will say, 'I am sick'" (Isaiah 33:24). We also look forward to a time when our loved ones who have passed will be resurrected (Acts 24:15). May you be comforted.##imported-begin##K Adams##imported-end##*

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ Hi ! Edward's ! I would like to send my condolences to the family. Losing a dear loved one breaks the family circle. There is so much illness and death happening today that many may wonder , Is this part of God's purpose for mankind? NO , No, our loving heavenly father gave the first pairs of human very thing they need and wanted. We are dying because of what is stated at Romans.5:12 please read. We can look forward to the time when No one will ever die again. I am looking forward to that time coming very soon and I know you are too. May all the happiness shared with Ms. Helen who lived to be 83 years stay close to your hearts. Sincerely, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##
