“ *My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##*

“ Hi Wright's ! May you take comfort in knowing that others care and know the feeling too. At such a unhappy time may the saying found in the bible help to heal the pain of losing some one in death. Our Lord Jesus felt sadden to tears when his friend Lazarus died to the point of tears and groaned in the spirit and became troubled as John11:33-44 says. The time is coming very soon when of come to life again Job 14:4 says. I am looking forward to that great time. I hope these few uplifting thoughts have been good to the ears. I send my condolences. “ The lost of a loved one has an overwhelming impact on all and especially the immediate family. The pain and suffering alone is very hard to bear and no one should ever have to experience such a dark and sad time in life. However it seems to be no escape no matter the cause. I extend my deepest sympathy and thoughts of encouragement from the one who can remove such pain and grieving sorrow from the human family, that one is the Almighty Jehovah God. Jehovah is saddened over how life has turned due to the course of actions of our first parents Adam and Eve. However, because Jehovah is a loving God he has promised the offspring's of Adam and Eve a way out. In the near future He said death will be no more and the things that causes death will be no more according to Rev 21:3-4. This promise of life has always been Jehovah God's purpose for mankind according to Titus 1:2. This is a promise he can't lie about. Hebrews 6: 18 states of Jehovah God, it is impossible for him to lie. That is an encouraging hope. Also for those who suffer with all sorts of illness Isaiah 33:24 says it will come a time no one on the earth will say they are sick and the lame will walk Isaiah 35:6, the blind will see, Isaiah 35:5 and the greatest promise of them all will be when Jesus Christ will call all those in the memorial tombs to come out. Yes our loved ones will be blessed with a resurrection to life right here on earth. John 5:28-29 Yes Jehovah will resurrect those back to life to enjoy everlasting life with all their families and friends Ps 37: 10 states the meek will inherit the earth and reside upon it forever according to Ps 37:29. It's truly understandable since our heavenly father created the earth for man to live according to Isaiah 45:18. We can truly trust in God's written word because nothing he says will not return without results Isaiah 55:11. So we can dry our eyes due to the tears of sadness but tears of joy will flow when we can once again enjoy the lives of our loved ones temporarily lost to death.##imported-begin##B
