“ DEAR FAMILY, DURING THIS TIME MAY YOU ALL DRAW COMFORT FROM GOD'S WORD THE BIBLE. ALMIGHTY GOD HAS A YEARNING TO UNDUE ALL THAT DEATH HAS CAUSED. (JOB 14:14,15) SOON ALL THOSE WHO ARE IN HIS MEMORY WILL LIVE AGAIN RIGHT HERE ON THIS CLEANSED EARTH. (JOHN 5:28,29 & PSALM 37:11,29) MAY YOU HAVE CONFIDENCE IN ALL THAT JEHOVAH GOD PROMISES.##imported-begin##MICHELLE WASHINGTON##imported-end##

“ We are saddened to hear of Dr. Smith's death. Our families have been friends since the early 1970's. Our older children grew up together. I was also Dr. Smith's secretary at old Provident on Division Street as well as the new one on the Liberty campus. Our prayers are with you all. “ Dear Smith family, I am so sorry for the loss of Dr. Smith. I have very fond childhood memories of him while we all grew up in the neighborhood. His left handed jump shot, when he came home from work, was amazing to me. He was a kind and quiet man who raised a wonderful large family and served as a role model for many persons. He will be missed. My prayers and the prayers of my family are with you at this time and in the future. George##imported-begin##George L. Russell, III##imported-end##

“ It was with great sadness that we learned of your father's death. For over 25 years we were fortunate to have Hank and Carlene as neighbors. In his quiet way Hank always made us feel that we could call on him for help at any time. We were aware of the strong sense of family to which Hank was devoted. We have fond memories of all of you as you have grown into fine young men and women of whom Hank was justly proud. We know you will support each other at this difficult time. Although we no longer live next door, we still feel like neighbors and hope you will keep in touch. Please call on us if we can be of help at any time. You have our sincere condolence.##imported-begin##Marcia and Ries Daniel##imported-end##

“ To the Smith Family, We both had the privilege to know your dad and grandad, personally and professionally. He was a first rate pathologist..but, most importantly, he was a fine, good and gentle man. We are so sorry to hear of you loss, and hope that memories of him will comfort you during these difficult days. Drs. Robin and Harold Tucker##imported-begin##robin tucker##imported-end##

“ *The Smiths were longtime family friends of ours. My mother used to work for Dr. Smith and my father was also a friend. Their son Douglas was my date to the senior prom. I remember my mom, brothers and I just dropping by their home on a whim and Dr. and Mrs. Smith always being so friendly. I loved their family and their home. I never felt like a stranger. I remember tall Dr. Smith coming over to our house for visits as well. He was a very kind man.*##imported-begin##*Leslie Williams Johnson*##imported-end##
