“ I offer my sincere condolences for your loss. Death is certainly not an easy thing to deal with. It touches our lives in a profound way, and it's something so very hard to come to grips with. We love and miss them so much, and long to see their smile just one more time. One day soon God will answer our prayers, and our dead ones will live again by means of the promises resurrection. At that time the scripture at Isaiah 25:8 will be fulfilled which says, "And he will swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces, because Jehovah himself has spoken it." May you be comforted in knowing that our loving heavenly father cares about our pain and sorrow, and one day he will erase it, and replace it with tears of joy.##imported-begin##R Johnaon##imported-end##

“ Unfortunately, too many of us have to experience the heartache and pains associated with the death of a loved one. As you draw comfort from your precious memories may you also find comfort from GOD who tells us, "Like a man whom his own mother keeps comforting, so I myself shall keep comforting you ....." “ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ I am sorry to learn of the death of Henry. I am sure that this must have been a difficult time for your family. I am forwarding scripture that will comfort all of you. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it but was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says "It is reserved to men to die once for all time. That was also true when it was written. But not so before God passed judgment on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ Dear Mrs. Bynum, Arnita, Bernice and all, I was listening to an old Aretha Franklin song today that reminded me of my first love-- Arnita. Almost absentmindedly, I typed her name in the Google search and stumbled upon Mr. Bynum's obituary. Upon further reading I also became aware of Dwight's passing. May I send my deepest, sincerest and most profound sympathy to the entire Bynum family. Having had the opportunity to meet and get to you all a little through my relationship with Nita, I am even more sorrowful and touched with the knowledge of his passing. Having lost my mom two years ago this past Mother's Day, I know something of the pain and sorrow that you must be feeling. I am sending my prayers and best wishes to you all knowing that the love you have for him-- and he for you--will continue to warm your hearts and brighten your lives forever.
