“ I offer my sincere condolences to your family on your loss. One day sickness and death will be a thing of the past, and people will come bacak to life and live eternally in peaceful conditions. Jehovah God created life, and he can re-create a person who has died, because he remembers every detail about each individual, because he love us so very much and longs to see us live eternally. That is why he gave his precious son Jesus so that we might live through the ransom that he paid in our behalf. John 3:16 says, "For God loved the world so much that he gave his only-begotten son, in order that everyone exercising faith in him might not be destroyed, but have everlasting life." So one day, all those in the memorial tombs will hear his voice and come out." (John5:28,29). May those thoughts from the bible bring you some comfort, as well as your precious memories.##imported-begin##R Johnson##imported-end##
