“ Firstly, I send my love to all. I extend my continued support in this time of need. Please feel free to call on me whenever you just need someone to talk to. I share your loss. Dad has always made me feel like his daughter and part of the family. I'm happy that I was able to comfort and support him in his time of need. Dad said, I was the best nurse that he has ever had. That makes me feel good. I gave Dad his first ever pedicure. Yeah, I got on my hands and knees and gave him a pedicure while he was in the hospital. I hope for a few moments Dad forgot where he was. I know he enjoyed and appreciated it. He made a point of showing his feet to everyone, and rave about his daughter. Yes, me. It really made me feel good to make him feel good. I love him and will miss him. I thank him and Momma for giving me the Love of my life, Dennis. Please try to find strength and comfort in the Lord. Everyone says remember the happy and special times, yes lets remember H. for who he was; a strong and proud Black man. I'll miss him, but not forget him. Love, Pam###imported-begin###Pamela Robinson###imported-end##

“ To the Family: I am sorry to hear of your loss. Death is such a devastating blow for us all. The Bible can be a wonderful source of comfort. Revelation 21: 3,4, Jehovah God says that he will wipe the tears from all of our eyes and death will be no more. May your family find comfort from this scripture.##imported-begin##Yolanda Johnson##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
