

## Henry Stewart

March 15, 1937 - March 15, 2017

Henry Stewart was born on March 15, 1937 to the late Howard Vincent Stewart, Sr. and Louella Stewart. After fighting a great fight of faith against cancer, he entered eternal rest on his 80th birthday, March 15, 2017.

He was educated in the Baltimore Public School System. He worked many jobs as a skilled laborer restoring old buildings and was a meticulous painter.

Grumpy, as he was affectionately known, loved hanging out with his friends and family, watching TV, listening to music, and, before his illness, could be found walking all over Baltimore City.

Henry married the late Lillie Stewart and was blessed with six children. While they divorced, they remained friends. He leaves to cherish his memory six children: Sharon Stewart – Clark (Charles), Cheryl Ruffin (Samuel), Kevin Stewart, Derrick Stewart, Darryl Stewart (Jacqueline) and Deborah McCray (Charles); four grandchildren: Tanisha Spencer (DaQuann, Sr.), Jillian Boutwell, Miriam Jasmine Bauer and Tiara Jasmine McCray; four great-grandchildren: Curtis Weaver, Jakorey and Jayla Boutwell and DaQuann Spencer, Jr.; one brother; Donald Stewart; one sister: Eileen Ringgold; one aunt; Marjorie Elliott and a host of nieces, nephews, cousins and friends. Special friends include John, Rodney, Shawn, Greg, Ivan and Dee Dee. He will be greatly missed.

Our family Is Requesting that in lieu of flowers, donations be made to Dr. Stanley Walker, in honor of Henry Stewart (Our Dad) through the following website:<https://www.gofundme.com/OncologyCenter>

Dr. Walker has been helping cancer patients for years, even when they were unable to pay for theirs services, and has gone above and beyond in assisting them in getting required medicine. It would be a shame if he is unable to continue his great work and passion. A hugh thank you is extended to those have already donated.

“ *Condolences and commendations to Henry Stewart's offspring. Passing of life is sad but gives one pause to be thankful. You are to be commended for consistently including him in the whole range of family events over the years. I cannot forget how your family assumed responsibility as care givers, juggling life or work schedules and making things happen to accommodate your father's sustained need for care. These were no small accomplishments. Your parents, my sister and brother-in-law, would be proud of you. They raised you well, and you stood them as best you could. Try to be thankful for the time that you had with them and your ability to do what you did. You have done well, and I am so proud to have watched you grow and develop into beautifully caring, loving family.*
