“ *In loving memory of Herbert K Johnson, I didn't realize life could go so fast, I wish it wasn't you, I wish you were still here. You were so smart and funny and kind. I just can't get your face out of my mind. To me you were beautiful inside and out and everyone you met soon found that out. Life on Earth was not a waste, you are just now in a far better place. Rest in Heavenly Peace my love until we meet again.*
