“ Healing happens slowly over weeks and months and years and even then, there will be days when memories call fresh tears. A song, a scent, or photograph keeps your heart in touch; with all that you so treasured in the one you miss so much.##imported-begin##The March Family and Staff##imported-end##

“ Dear Micki and Joyce, How my heart goes out to both of you. I know this has been a rough journey for your Father and yourselves, but now your Father can rest since he is in Heaven. It is so hard losing one parent and now losing the other. I know what it feels like to seem like you've been orphaned, but just know that all of your family, friends, and co- workers are here for you. I'm here every minute of every day if you should need me. I share your pain. I just know that your Father was blessed to have two daughters who loved and cared for him so deeply. No one could ask for better daughters and I hope you are both at peace knowing that. My prayers are with you. Just remember, we'll all meet again someday, but this time, in a better place. Love, Karen##imported-begin##Karen McKee##imported-end##
