“ *Happy birthday Granny Geese. The best great-grandmother ever. I was blessed not only to know her, but to have a relationship, great conversations and beautiful memories with my great grandmother. She would have been 106 years old today.*

“ I would like to send my condolences to the family. Losing some one so dear as Ms.Hilda breaks the family circle. Ms.Hilda lived a long life as the bible say at Ps.90:10, some may live to 70 years, others because of special mightiness 80 years. From Ms.Hilda grand daughter words, she was a wonderfull person and loved by many. In recently losing Ms. Hilda there may be question on your mind, Why? Will you see her again? What hope is there for your loved one? All these answer are in the bible.No one want their loved one to die, because Adam and Eve disobey our heavenly father we have sin, We can see our loved one very soon in the resurrection of the dead as John5:28, and hope is very great because our creator can not lie as the bible say at Titus1:2 ,he promised.May all the cherished memories of Ms. Hilda stay close to you all. Sincerely,
L.C.##imported-begin##Lillian Crosby##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ *May the God of all comfort, Jehovah God comfort your family. 2ndCor: 1:3,4. Death is truly hard to deal with, an experience no family should have to endure. One day soon, God promises to do away with all sickness and death, which cause us so much pain, 1st Corinthians 15:26 promises, "As the last enemy, death will be brought to nothing." Rev 21:4 also promises, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. "The former things have passed away." May these bible verses offer comfort to you, and may your precious memories help you to cope.##imported-begin##R Johnson##imported-end##*
