“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

“ My sister-in-law. A woman who always had a smile, soft spoken, dignified, a non-complainer, caregiver to her mother, a seemingly wise leader to her daughters. I still have her voice on my voicemail & I play it a lot. Remembering our slumber party when you visited your sick brother & I & how we talked most of the night. She was her little brother's second mommy. I was so glad that I had the opportunity to be with you as your spirit was departing this life last Wednesday. I cried for all the pain that you were going through & asked God to stop the pain so that you could slip quietly away. He answered my prayers & I was never so happy to see that your pain was over. We will miss you, but I've got your voice, your pictures, you precious smile, your compassion & strength of character to reflect upon whenever the missing gets rough. Your brother Darrell kept saying, "my Hilda, my Hilda." His pain & grief is beyond words given his condition & not having been able to see you for the last time, but his faith in God will pull him through. You were loved & will be missed so much. At my last visit with you, you looked so peaceful, as though you were in the best sleep of your life. What a relief it was! Rest in peace my sister. God loved you more.

“ I am so blessed to have had an aunt like my Aunt Hilda. She was so sweet and loving, always making you smile from her smile. She was special and had a special name for everyone mostly their middle names mines, Miasha. She was the definition of an aunt. I am so glad that I got the opportunity to create so many great memories with her, like taking me to her job for take your daughter to work day, a day I can replay from start to finish in my mind, most recently our trips to go and see my ill father. She was a cheerful spirit that will never be forgotten, and I will always love you.

Hello to the Family of Hilda Fuller, I realize you may not know me personally, but I've known Hilda for years, since we were in High School, which goes back to 1972-1974. I last saw her back in November of 2012, when she told me she had been sick, but was feeling better. Little did I know, that would be the last time I'd see or speak with her. I was really shocked and saddend to hear of her passing, and will miss seeing her from time to time. You have my deepest Sympathy, I know Hilda will be truly missed. LHarris-Wms
