“ *I am very sorry to learn about the death of Hilda. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when it was written but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 say...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ I would like to express my sincere condolences to Ms. Hilda's family and friends. The loss of such a dear loved one is painful and difficult to bear that's why the Bible calls death an enemy. At 1 Corinthians 15:26 God promises to do away with that enemy and all the pain it causes. I hope these encouraging words from God, who cannot lie, will comfort your heart.
