“ Kyle, Kiefer and Farah: I am very sorry to hear about the death of your mother. Knowing what it is like to lose a mother, I want you to know that my thoughts are with you. Remember the good times you shared and all of the memories you have and be glad it was possible. Look well into thyself; there is a source of strength which will always spring up if thou wilt always look there. M. Strother (Henrico High School)###imported-begin###Ms. Strother###imported-end##

“ Please accept my sincere condolences for the loss of your dear loved one. Death is never easy to cope with especially when it overtakes someone so young. May you find solace in the "God of all comfort" (2Cor1:3-4) and the promise that those who have fallen asleep in death will live again by means of a resurrection on a paradise earth (John5:28-29, Psalm37:11,29).##imported-begin##C. “ Death is something that we will never get use to, because God's Word describes it as 'the last enemy.' May you find comfort in knowing that our loving Heavenly Father Jehovah promises us that very soon He will by means of His son Christ Jesus, bring our 'enemy' to nothing. (1Corinthians 15:26) What a wonderful day that will be!##imported-begin##Kevin Jackson##imported-end##

“ Nina, can you believe Trey has graduated from high school since you passed and now Chris is 25! Wow, look at how this time has flown by. I have no more babies now. Trey is leaving for ODU and now me and Rick are empty nesters. I think about when I had my kids and waking up in the hospital and you were there, you were always at every important event in my life. I keep you always in my heart. I could always pick up the phone and say "hey girl" guess what. I now say that in my prayers. I miss you so. Love, Adele###imported-begin##Adrienne McLemore###imported-end##

“ Hey Girl: Thought about you today. I was cleaning out my emails and I looked at all the ones you sent me over the last two years. I cried when I read the one you sent me in March for my birthday. You said as soon as you finished your medication we were partying like it was 1999! One of my friends at work is going to put all of them in a memory book for me of you. I went by to check on your kids and you know I called to check on Henri and Aunt Mozelle. It is almost your birthday. I still miss you. “ Hey Girl: I called to check on Henri and Derek yesterday, they are doing fine. I went by to check on the girls but I think Charmaine went to NY. I will keep in touch with them as much as I can, you know I'm Auntie Adele. Trey is doing good in school and Chris has really shown a maturity in helping to look after his little brother. I won another award for community service, can you imagine :) It's almost your birthday. I don't pour out forties, but I will certainly lift a glass of Moscato to your memory. You know Rick is in college and now Trey is there and I retire in 13 months, God, time has flown, wow, 25 years, who would have thought. I was thinking about getting a teaching certificate, I have two degrees but they are in business and management, I guess it is time to move on, I enjoy young people so I think I can do some good in that area. My Mom and Dad are doing well, Lord, 53 years, I hope to be with Rick that long -lol. Until your birthday, Love you always, Adele###imported-begin###Adrianne McLemore###imported-end###

“ Hey Girl! Chile it is hard keeping up with your girls. Lord,I am saying a prayer for them. God is good, all the time, so we will pray for the best. I told you Happy Birthday in my prayers and Best Friends, Sisters always in your death. I believe you are just asleep in Jesus arms waiting for the rest of us to be caught up in the Rapture. Still miss you, my friend.###imported-begin###Adrianne McLemore###imported-end###
