“ *Hi Shirley,*

You don't know me but Eugene, Homer and Ronald Boy and my family (The Gaithers) lived right around the corner from each other. Our address was 2019 N. Monroe and theirs was 2019 N. McKean Ave. I went to school with Eugene and my sister Stephanie and Homer were in school together.

I was so surprised to hear of Homer's passing and then to find out that Eugene had passed away also was just too much to bear. I have moved to NC and was told by my sister just days ago.

I just want you to know how wonderful a person your Homer was. His legacy is you and your children and grand-children. I know the children will continue to make him proud even in his absence.

I will miss your husband, Homer, very much and just know he will never be forgotten because the children who grew up on Monroe, Clifton, Walbrook and McKean can still see him playing games with us. We shared many happy times growing up in the neighborhood.

May God forever bless, keep, and watch over you and your family. You now have your very own Guardian Angel watching over you.

*Yours in Christ,
Bonita Gaither-Davis of

I too was surprised to hear of Homer's passing. I did not realize that we both graduated from Douglass High School. My name is Halcyon Valentine and I remember Homer as a kind person. At the time, I lived on Fulton Avenue, just around the corner from Homer. May Homer rest in peace.
