“ *I send my deepest condolences to the family at this most difficult time. May you be comforted by the promise of the resurrection, and the end to sickness and death forever. God makes this wonderful promise to us at Isaiah 25:8. So soon death will be no more, and we won't have to bury our loved ones ever again. At John 5:28 God promises that all those in the memorial tombs will hear the voice of his Son Jesus, and come out of those tombs. May you find comfort in these wonderful promises from Jehovah God.*

“ *(Romans 15:4) For all the things that were written aforetime were written for our instruction, that through our endurance and through the comfort from the Scriptures we might have hope.*

I am one of the international Bible Students in the area. I would like to send condolences to the family. There is a God of comfort and you can read your Bible so that he can help you during this time in your life. I hope these scriptures help comfort you.

(John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.
