“ *To: The family of Bro. Howard Crenshaw! I had the pleasure of meeting Bro Crenshaw in the early 90. He played and sing with the Broadie's. I really loved to hear him play and sing Walk Around Heaven. He lived the life he sung about. Always remember Love never dies. He will live on in your hearts forever. Love Nancy J. Broadie*

“ I was saddened to hear about the loss of Howard who was my
brother Sterling's best friend through Russell High School. Even
though they went their separate ways, they communicated when
they could. I remember him attending my brother Sterling's funeral
in 2010 and everyone was happy to see him. He will always be
remembered in my family through shared pictures and memories!
Rest in peace and I know Sterling is happy to see you again.

“ When I moved into the neighborhood in 1985, I was a single mother
with a 13 year old daughter. "Mr." Crenshaw, as I have always
called him, was the first to introduce himself and welcome me. He
made me feel safe as he had already assumed the self-appointed
role of neighborhood guardian. He has always been the heart of this
neighborhood and loved by all of us who had the privilege of being
his friend. I already miss his smiles, waves and spontaneous chats
we would have. He had a generous heart and spirit. God has
already welcomed you, Mr. Crenshaw, into His neighborhood and I
know you are making the angels smile. May your family find peace
and comfort knowing you are still looking out for them as life moves
forward. Those we love never really leave us in spirit.
