Our Family Circle Has Been Broken

Another link gone from our chain, And though we are parted for a while
We know we will meet again. Sometimes it is hard to understand
Why certain things must be, But there is a reason for it all
Beyond our power to see. The cover of life's book is closed
For one we loved so well, But loving deeds of by-gone days
Are what the pages tell. The blow was hard, the shock severe,
We never thought your death so near. But only those who have lost can tell
The pain of parting without farewell.

“ *You were our neighbor and our friend. I always looked forward to seeing you outside working around the yard. God blessed us with you and Ms. Elaine as friends. My husband, I, and our children are deeply saddened that God called you home so soon. But we know you walk with the lord and are free of pain and suffering now. You will never be forgotten.*

Love and prayers,

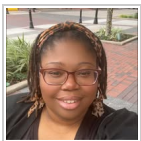

Sarah, Andrew, Julia, Gabriel, and Dante'

“ My sincere condolences to Elaine and to the entire family. Howard worked for KIRA, and was a valued member of our team. I had the pleasure of working with Howard and Elaine both during these past few years. Howard was a true gem, and my thoughts and prayers are with you, Elaine. Best, Lindsay Jones, HR Director

“ Peanut, I am really sorry to have to be writing this, I never expected to have to do this, with a a heavy heart I will miss my self appointed protector. I will always remember the love and fighting that we shared, but most of all I will miss my little pain in the butt little brother. I am glad we had a chance to talk and make amends before you when away, can't wait until we meet again. Love always your big sister Doretha.

“ I never knew you'd go away and leave me with such grief.
but seeing how you suffered so,
I know you've been relieved.
So rest my love in Gods hands,
the one who loves you more.
He saw that you were tired,
so he took you through heavens doors.
I will always love you my Howie!!!
