“ *Jason will certainly be remembered as a warm and caring individual. He was an honest person who appreciated the little things in life. He was a gentleman and true friend and was always ready to extend a hand. I will truly miss his beautiful smile and gentle laughter. “ We knew Howard as "Jason," even though that was his Last Name, many of us thought it was his First Name. We will have fond memories of Jason. We could count on him to tell us all about the newest movies in town, since he was definitely into going to the Movies on a weekly basis. He also enjoyed music and Westerns. We will miss teasing him about bringing all those "Dr Peppers" in his arms to Johnnie. He had a way of making us all feel special, even though he did mix up our names from time-to-time. Kelly will miss all the "Jet" magazines he would collect and deliver to her in a huge bag. We will all miss his friendly presence and his gentlemanly manner. It was a pleasure to have known Jason. We all will miss him. Our thoughts and prayers are with Jason's family at this time, but just know, that he is with his Heavenly Father, and he is in a better place, and we will see him on the other side - one day.##imported-begin##Friends from the Social Security Administration##imported-end##
