“ Nothing brings more pain to our hearts than the death of a son. This is because death is not a natural occurrence. Humans were created to live forever and yet because of sin and imperfection, we die. God however, has made arrangements that by means of Christ Jesus will bring an end to this enemy and usher in a world where death is no more and the pain that we suffer as a result will be a thing of the past. Moreover the bible helps us to see that there will be a time when many who have died will live again. Until that time, may the bible and such scriptures as the below bring you comfort. (2 Thessalonians 2:16-17 which says " . . .Moreover, may our Lord Jesus Christ himself and God our Father, who loved us and gave everlasting comfort and good hope by means of undeserved kindness, comfort YOUR hearts and make YOU firm in every good deed and word. . ."###imported-begin###Veronica Thompson###imported-end###

“ Please accept my condolences on the loss of your loved one. It truly is unfortunate that we experience the sorrow associated with the loss of one we love. However, there is a source of comfort. God's word, the Bible assures us that "the Father of tender mercies and the God of all comfort...comforts us in all our tribulation." (2 Corinthians 1:3,4). It also offers us the solution to our source of distress at Acts 24:15 and John 5:28,29. Please read these verses and feel free to contact me to discuss this wonderful provision.##imported-begin##Gwen Winston##imported-end##
