

Huestace McEvan Pouchie

November 28, 1939 - March 24, 2006

HUESTACE McEVANS POUCHIÉ was born to the late Keishner and Frances Pouchié on November 28, 1939 in Roatan, Honduras, Central America. "Mike" (as he was affectionately known) was educated in public schools of Honduras. Later he ventured to the United States where he furthered his education earning an Engineering Certificate from Morgan State University in Baltimore, Maryland. Mike was an extremely hard worker and was gainfully employed in a number of occupations including owning his own store for several years. However, he spent most of his career employed with the Social Security Administration. After twenty years of service, he retired from his position as a stationary engineer. Mike was a very friendly and loving person. He was a particularly attentive husband, father and grandfather. Mike married Lois and from the union three children were born - Felix, Orlina, who preceded him in death, and Ronald. After moving to the United States, he met Paula Smith and in 1982 they married. From this union one child was born, Paula Monique Pouchié. Mike had many special talents and gifts, but being "Pop-Pop" was his greatest gift of all. He will deeply be missed by many. Mike leaves to mourn: his loving wife, Paula Pouchié; four brothers, Andy, Dealton, Rodney and Earl Pouchié of Roatan, Honduras and Miami, Florida; his two sons, Felix Pouchié of Roatan, Honduras and Ronald Pouchié of Miami, Florida; two daughters, Paula Monique Pouchié and Nicole Parson of Baltimore, Maryland; one son-in-law, Philip Parson Jr.; sixteen grandchildren, Ashford, Shown, Nicole, Tyron, Shanie, Shane, Verla, Vincent, Kayla, Vinson, Chemia, Dierra,

Kenia, Kiana, Damien and Gregg; and a host of other relatives and friends.

“ *Pop Pop , we miss you and your warm smile . watch over us until we meet again love you from MIA*

chemia pouchie - February 28, 2014 at 01:07 PM

“ *I am so very sorry that you lost your loved one in death. I didn't know him personally, but I remember his face from when I worked at Social Security. May you be comforted by the fact that Jehovah God has a purpose to end sickness and death, and restore life back to those who have died. Please read Rev 21:3,4, John 5:28,29,Acts 24:15, and Isaiah 25:8. May you find comfort in those scriptures until that glorious day arrives.##imported-begin##R

“ *Death is an unwelcome situation in all our lives today. Yet we seem not to be able to escape the effects of death at one time or the other. Death is often thrust upon us due to natural causes, illness or some unforeseen occurrence, not to mention the after effects of some thoughtless and often in today’s world the cruel course of action of some uncaring person. Whatever the case is death was never a part of Jehovah God’s plan for mankind. Jehovah God’s word the bible help many to revitalize their hope in a much happier and peaceful future for our love ones who have lost their lives in death. Yes thanks to Jehovah God the resurrection is our hope for the near future. According to John 5:28, 29 the memorial tombs will open and those sleeping in death will awaken. While we may be separated from our love ones now, it is a temporary condition. Rev 21: 3, 4 states death will be no more... and that is a promise. Jehovah promised everlasting life from the beginning of mankind’s creation stated at Titus 1: 2 and according to Isaiah 55: 11 it is said of Jehovah the words that goes forth from his mouth will prove to be. It will not return without results... Hopefully these words can prove to be of comfort because our hope can only become a reality by means of Jehovah God and his son Christ Jesus. Remember, Hebrews 6:18 states it is IMPOSSIBLE for God to lie. May the comfort of God be with you.##imported-begin##B Carter##imported-end##*
