“ *To the Harris Family, you have my sympathy in the loss of your dear loved one. Ms. Iantha lived for some 98 years, nonetheless, it was not long enough. Death is an enemy of mankind it stings and brings much sadness. This is not how Almighty God intended things to be. We were designed to live forever, but due to the disobedience of our fore-parents, Adam and Eve, we inherited sin, resulting in sickness and death. Although death awaits us all, we are not hopeless. Jehovah God provided his only begotten son as a ransom for us, that we might have everlasting life. Yes, life without end. We can look forward to a time when we see our dead loved ones again and we will never have to mourn (Revelations 21:3, 4). May you endure this sad time with the aid of your family and close friends and lean on the God of Comfort.*

“ *Condolences to the family. I am sorry to hear of your loss. The Bible assures us that the time will soon come when mankind's enemy , death, will no longer exist. May you find comfort in the words found at Isaiah 25:8 which speaks of a time when Almighty God will put an end to death and sorrow.*
