

## IBN S. Brown

February 4, 1962 - March 3, 2020

IBN K. BROWN. Son of the late Earline R. Brown and Charles D. Brown was born on February 4, 1962, in Baltimore, Maryland.

Ibn was a true soldier who fought his illness with everything he had in him. On March 3, 2020 the most high said to him “Well done my servant” and called him home. Ibn received his education from Baltimore City Public Schools “Sharp” or “ShaShoni” as he was affectionately called by his family and close friends, was a natural born hustler he was very ambitious from a young age he loved the finer things in life, he worked hard for everything he wanted. Sharp was employed by a Public Waste management Company and H&S Bakery to name a few he was known to work several jobs at one time. One of his biggest accomplishments was owning a few business and properties over Baltimore City. Sharp had love all over, even though he was a very low key laid back type of guy. He'd spend some of his spare time up Northeast Market with his neighborhood friends that were more like family. You'd sure to see him in his leather jacket and hat or when he stepped out serious minks with the hat to match. He loved nice jewelry. You could count on him being one of the first people to come to your event and the first to leave. He was truly a character, he had a sweet tooth loved if you were a great cook he'd always stop by his Big Sis Earline “Danka” house for a plate and her famous homemade cake and specifically ask her to make sure she burn it. He loved nice cars, especially big SUV's. He was a great chess player; he had a very special relationship with the love of his life LuAnn Morton. He leaves to
