“ *"I can see happy through sadness for God created the two, I can see the living in dying, in Heaven where life's always new." We are so sadden that we were all unable to be together at a time of such great loss. We were with you in mind and spirit and we continue to pray for strength, knowing that the Lord will never leave nor forsake us. He has left His peace with us and has sent a Comforter. We must keep his words and his words will keep us.##imported-begin##Patsy Cheatham Smith##imported-end##*

“ *Healing happens slowly over weeks and months and years and even then, there will be days when memories call fresh tears. A song, a scent, or photograph keeps your heart in touch; with all that you so treasured in the one you miss so much. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*
