“ *Ida thank you for being apart of my life. Your prayers and thoughtfulness got me through some difficult times. You would always give me the Word to ease the pain. I will never forget the good times we had especially in West Palm Beach, FL. I thank God for sending you in my life. You taught me a lot and I will forever be grateful.*

“ *Elder Ida made a great difference in my life. She challenged me to follow the Lord and to know who I am in Christ. Her heart was as big as the sun and it showed in everything she did. Her love of people was genuinely displayed. Elder thank you for the contribution you made in my life. I thank God for placing you in the position of being an Elder and such a special lady. Every life you touched was made better for your being in it.*

“ *For years I learned to appreciate Ida's devoted care for my patients--her caring attitude, her good humor, her reliable good judgement and careful observation. Then it came our family's turn to experience all that first-hand, as she spent years caring for my father. My brother Warren and I will be forever grateful to this wonderful woman--we always knew we could count on her, and she never failed to show kindness and affection to Dad. What a wonderful lady! The world is a little bit darker as her light has gone out. Best wishes and prayers for all her family, as you suffer through your loss now, and as you enjoy loving memories in years to come.*

“ The Apostle Paul wrote to the Corinthian Church, For we know if our earthly house, this tent is destroyed, we have a building from God a house not made with hands, eternal in the heavens. vs. 6 So we are always confident, knowing that while we are at home in the body we are absent from the Lord. for we walk by faith and not by sight. We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord.  
Your brother in Christ ED.

“ Ida and I attended Community Church of God on Park Ave, with Pastor David Wright. Those days were our training days, we were like a big Holy Ghost family. Dr. Wright had a two year Living Word Revival, and Ida and I were there. We also had 5am prayer at church, we would call each other to get up, and get to church. I would be at the altar praying, I would be right next to me praying, praying in tongues, and in english. Ida would get up and walk around the church praying. Ida was a true prayer warrior. I miss having my talks with her, but I know I will see her, Lynn, and Naomi again. Now she is resting, and has peace that passeth All understanding.  
I will always love you.

“ *Ida Williams' life was transformed the day she came through the doors of Community Church, several years ago. During the "Living Word Revival" of 1980, she gave her heart to the Lord Jesus Christ. From that time until the present, she's been an integral part of the Body of Christ, with her dynamic love for the brethren and sinners alike. She wore the name "Daughter of Faith," and exemplified its meaning throughout her entire life. While at Community, she lead a song which she surely lived by: "Only Speak The Word, Speak The Word Of God."*

*With sincere condolences, Eld. Eric Lee Cobb, Sr.*

“ Almost every Sunday after church we would get out to eat, either CRACKER BARREL OR RED LOBSTER. Some nights I would go to Mr. Dodd's to sit and talk with her and her client, the same when she went to the Stinger's. She was an excellent care taker for her clients. They also loved her greatly.

“ Every time I saw her, I remarked as to her beauty. I am sure people were saying to themselves that's an odd greeting. Because it would come out of my mouth without me thinking. Her spirit and loveliness of heart was so full it spilled out of her very soul. She wore it as a second skin a halo of kindness. and so I would say loud and clear before saying anything else. "You are so beautiful!" She would always humbly bow her head and say thank you, and we wouldn't even speak before someone whisk her away. God has called home his daughter, to tell her personally well done.
