

Ida Shell

June 7, 1915 - September 8, 2005

IDA SHELL, beloved daughter of the late Hattie Simpson and Edward Hamlett, was born on June 7, 1915 in Drakes Branch, Virginia, and passed on to heaven after a lengthy illness. She was one of six siblings (three brothers and two sisters), Warren, Wilbur, Earl and Edna, whom all preceded her in death, and Josephine Chaney of Baltimore, Maryland. Ida was a domestic engineer for many years of her life making many friends. She met and married the late William Sherrill and from this union three children were born, Audrey who preceded her in death, William from New Jersey and Leonard of Baltimore, Maryland. (Idie) or (Clem as her sister fondly called her) was loved by many, she was a beautiful, good and wonderful lady who would give you her very last dime. She was always "fiesty" and as "sassy" as can be and "she always had a smile on her face when you walked into the room. Many people will remember her for many things, because she had such a warm and kind heart and always had a nice word. She was religious and believed in many things, she was a loving mother, beautiful grandmother, she gave from the heart and never asked for anything in return. Being in her presence was a blessing from above. She is truly loved, and will be greatly missed. She leaves here to mourn her passing: two sons, William and Leonard; one sister, Josephine Chaney; eleven grandchildren, Perry, Suzette, Michael, Audrey, Michelle, Laketa, Kendra, Kenneth, Leonard, Anthony and William; twelve great-grandchildren, eight great-great grandchildren and one great-great-great-grandchild; a loving niece, Shirley Robinson; three daughters-in-law,

seven nephews and a host of other relatives and friends.

I did what you said about playing the lottery for ten days after you gave me those numbers and they all came out just like you said they would. I miss our special talks on Saturdays. I wake up smiling and telling my girls about the dream and they are so amazed on watching your numbers come out in the lottery. “ Happy Birthday I just came back from your resting place. I put your favorite flowers out there no balloons because I know you do not like them. I was thinking about your special birthday meal that I would get for you and started to laugh about you fussing at me on how I eat my crabs. Telling me I am wasting crabs because I do not eat the small legs and saving the legs for later to eat after I leave. I sure miss those moments. I was walking Lanaya to the bus stop for school this morning she asked me what was I doing this morning and I told her it was your birthday and she said I know where you are going and wished she could come wish me to your resting place but she had to go to school. So she told me to tell you happy birthday and she love you. I told her you are in heaven so look up to the sky and tell you herself. She had me in tears when she raise her head to the sky and said happy birthday Grandma Ida and I wished God could have left you here alot longer because I miss you and love you soon much and my Grandma Suzette cry every birthday and mothers day because she miss you alot more than me and my mom and my auntie Lynn. After she got on the bus I started to cry because she took the words straight from my heart without me speaking a word. I guess she see how sad I am sometime about how much I miss you. I do miss you very very much. I love you deeply and will always hold that very special place in my heart forever and always.

“ I just got in from visiting you and my mom. I stopped and got lunch I had your favorite food and my mom's favorite food for lunch. I sure miss you both everytime I visited you I feel much better. It is like your spirit is there helping me . I know you are sending me all those blessings because my mom only played numbers on friday's after work. So I figured out it had to be you. I would be down to the last and something would either come in the mail or a lottery ticket I forgot about would be a winner. So I know it is one of my angels letting me know they are still here with me in spirit and watching over me. I can tell when you are sending something my way you always come in my dream and we are on holbrook street and you and my mom are telling me stories about the family. I wake up tell Lynn the story and my hands start to itch and within a few days I receive that blessing. Lynn is always amazed how you and my mom tell me things in my dream and then they come true. So yesterday when my day was very sad and I could not get out of bed I had a dream of you and my mom telling me stories I woke feeling much better and plus you send me a blessing. So thank you for all you have done for me in my life in the past and present and I will see you in the future where we will all be together again. Lanaya sends her love and said she really miss you. She asked me to buy flowers for you so I brought a dozen of gold roses for you and my mom. I remembered your favorite flowers were lily's so I brought you a dozen of white ones and my mom's favorite flowers are tulips so I brought her a dozen of pink ones. One of the caretakers walking by stopped to talk to me and said the flowers looked beautiful together made him think of spring. I smiled because I know you loved springtime. I miss you so much but I know you are at peace. I love you and will always have that special place in my heart for you forever and always.

“ Happy Belated Thanksgiving and Merry Christmas. I was unable to put your angel and tree and snowman and the golden roses at your place of resting today because of the three feet of snow. So I will put it away until next year. I know you met Lee at the golden gates yesterday with open arms. I remember the last thing you told me about Lee and the weeks before passing that you are very concern about him. He does not take care of himself and he always eat the wrong foods. His health require a special diet and he ate a lot of fastfood. I thought of you when Tinky told me he collapse after eating. He has left us way to soon but no one is promise life or death when it is you time to be with god. It seems like our family leave us in five year spans. Archie in 2000 and you in 2005 and now Lee in 2009 six days before 2010. Because the ground is frozen he might not be buried until 2010. I miss you dearly and will always hold a special place in my heart for you right next to my mom and now Lee. ##imported-begin##Suzette##imported-end##

“ I cried alot today seeing your name on the plaque at the cementary made me realize you are with my mom. Seeing those two names also made me realize that my heart will never be complete. I should be happy that you are not suffering anymore but I am not. I miss you two so much It hurts. I guess seeing your name today brought me to a new understanding that I need to move on and stop grieving about thing I can not change and move forward with things I can change. “ Momma, this poem is also a reminder of you and my mom, it is called *THE BROKEN CHAIN, WE LITTLE KNEW THAT MORNING, THAT GOD WAS GOING TO CALL YOUR NAME, IN LIFE WE LOVED YOU DEARLY= IN DEATH WE DO THE SAME= IT BROKE OUR HEARTS TO LOSE YOU, YOU DID NOT GO ALONE, FOR PART OF US WENT WITH YOU, THE DAY GOD CALLED YOU HOME=YOU LEFT US PEACEFUL MEMORIES, YOUR LOVE IS STILL OUR GUIDE; AND THOUGH WE CANNOT SEE YOU, YOU ARE ALWAYS AT OUR SIDE= OUR FAMILY CHAIN IS BROKEN, AND NOTHING SEEMS THE SAME; BUT AS GOD CALLS US ONE BY ONE, OUR CHAIN WILL LINK AGAIN;(I LOVE YOU)*##imported-begin##TINKY##imported-end##

“ Momma it has been a month since I saw your face and two months since I heard your voice. I missed the sound of your laughter and your funny stories. Things have not been the same since you been gone. I miss our talks on Sunday afternoon. October 14, 2005 was very sad for me because I could only think about you. I am trying to move on but it is hard. Since you have passed two co-workers have lost their moms also. So death still surrounds me. Making me think about you and my mom constantly. “ Dear Family, Though we’ve never met, I would like to express my sincere condolences for your great loss. Sometimes it seems the pain of loosing a loved one is too great to bear. But if I may offer some comforting scriptures from God’s Word the Bible, they would be Psalms 34:18 which says "Jehovah is near to those that are broken at heart; And to those who are crushed in spirit he saves." And 2Corinthians 1:3,4 which says "Blessed be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation..." May your family find comfort in God’s Word during this most difficult time.##imported-begin##Kelly Gathers##imported-end##

“ A Song For Momma you taught me everything and anything you've given me i'll always keep it inside, you're the driving force in my life,there isn't anything or anyone that i could be, it just wouldn't be right, If i didn't have you by my side, you were there for me to love and care for me, when skies were gray,whenever i was down you were always there to comfort me,no one else can be what you have been to me you will always be,you will always be the girl in my life for all time, Momma, Momma you know i love you,Momma Momma you're the queen of my heart, you're love is like tears from the stars, Momma i just want you to know, loving you is like food to my soul, You're always down for me and always been around for me, even when i was bad, you showed me right from my wrongs, yes you did, and you took up for me when everyone was downing me, you always did understand,you gave me strength to go on,there was so many times looking back when i was so afraid,and then you'd come to me and tell me i could face anything,and no one else can do what you have done for me, you will always be, you will always be the girl in my life,Momma, Momma you know i love you, Momma Momma you're the queen of my heart, you're love is like tears from the stars,Momma i just want you to know, loving you is like food to my soul,never gonna go a day without you, fills me up just thinking about you, i'll never go a day without my Momma,Momma you know i love you,Momma, Momma you're the queen of my heart, you're love is like tears from the stars,Momma i just want you to know loving you is like food to my soul, you are the food to my soul, YES YOU ARE##imported-begin##Tinky##imported-end##

You are sharing your journey with another angel my mom. I was thinking about how much joy and love you have given me and my daughters and grandchildren. How you always said that your joy was giving not receiving, seeing joy in someone eyes meant more than anything to you. That is a angel motto. I know you have your wings now and flying with my mom. I saw a white dove flying pass me as I was walking to my car. I thought it was you letting me know you were okay. Since one of the doves at your funeral stayed around until you were placed in the ground and cover over. The cat would not leave my side all night.In my dream you were telling me that my brother and sister will make a great recovery real soon. They will begin to sleep and stop carrying the burden of what if.Me and Audrey are watching over them and know they will be their old self real soon.My son need to move on and stop worrying about things he can not change and start taking better care of himself.I have been flickering lights and ringing phones just to let everyone know I am okay. I hear all the prayers and single thoughts from everyone but only one person is strong enough to hear my thoughts. Audrey thinks it is because she believes deeply in angels and they have been linked in thoughts since her passing in 2000. “ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Happy belated birthday to a woman who made such a wonderful impression on my life. I was amazed that you did not have any birthday wishes in your guestbook but I know you were not forgotten in their heart on this special day. I could hear you in my thoughts at the cementary on your birthday fussing about all the balloons. I know you never liked balloons but I wanted the world to know it was your birthday. I know you loved tulips so that was my gift to you. Your entire family miss you so much and as I am typing this message I can not stop crying because I miss you more. Thanks for blessing me with all your love.###imported-begin##Suzette##imported-end##

“ I hate birthdays now since they remind me of your departure from my life.Each year makes me sad to think of your smile and hear your laughter on my Saturday visits. I know you and Archie gave me a special gift this month because after the family came to my house for the holiday my birthday came out in the lottery and after talking to my sister on the phone and emailing my brother my birthday and tag number came out again so I know my guardian angels send me a birthday gift from the spirit world. “ Hey There Idie, Klim here. Here comes Lee. and he said you were the one that was depressed after Archie passed. He's happy and right at home now, RIGHT. I miss you so much. Not a day go by that I don't quote you. I love telling people I got my work habits from you. And I swear your great to the 3rd grand-Daughter MaKayla remind s me of you and Ga'Kiya remind me of Archie, so you two are always with me. Watch over Bill forever and I mean that from my heart. I know you were happy to see your baby boy. Tell him I miss him so much. All the old gang is up there. Must be some kind of a reunion. We are maintaining on this side and like mercury we are slowly coming together and as far as the litle ones that didn't get the pleasure to learn from you and Archie I make sure I teach them something I learned from you so they can carry it on into the next chapter of their world. before it's all over they will know you all as if they lived with you like I did. I promise. Thank you for Loving me. I love you more.###imported-begin##Perry###imported-end##
