“ *Aunt Imogene: We will truly miss your smiling face and kind words to us all. We will miss your conversations keeping us laughing and your motivation for us to live our best lives. You were truly a part of our family and we will never forget you. You kept a smile on Uncle David's face and we know he loved you dearly. This will be rough for him and I know he will miss your smiling face and daily conversations with him. God has you now. May you rejoice in heaven with Him forever.*

To the Family: Our deepest condolences to you and your family during this time. Your mother was an amazing woman and she will truly be missed. The Lord said it is time to come home with Him now. There is no one like your mother. She was a special woman and she will be with you always. A mother is with us always, first in her lifetime, then forever in our memory. May God continue to Bless you all through this tough time.

*Love Always,

“ Aunt Imo,

You will truly be missed. I know I didn't get a chance to talk to you in the past month or so but I have fondest memories of you. I loved that each time you were on the phone with Uncle David he made sure we talked to you and I loved that we kept in touch that way. I will miss your laughter and your voice saying "that's my girl!" To the McSpadden family, please keep smiling and keep your head lifted up for such a time as this. Be strong and courageous during your time of sorrow. Also remain in the Lord for he will watch over you and keep you in His peace.
